# GROWING YOUNG

## REACH CONFERENCE FEBRUARY 2025

“If you always do what you’ve always done, you’ll always get what you always got.” That statement may be true in some aspects of life, but when it comes to making disciples and growing the Church, it really couldn’t be further from the truth. And although God’s Word never changes... *people do*. Their priorities do. Their values do. During our Reach Conference this year we want to explore the idea of growing young by looking at essential strategies for creating a vibrant, intergenerational community that attracts and retains young members. From cultivating authentic relationships to empowering young leaders, we’ll learn practical ways to adapt without compromising our core beliefs. Join us as we reimagine the future of Johnson Street Church of Christ as we inspire all ages to grow in faith and service to God and each other.

Find the Reach Conference class list and descriptions below.

**These classes will be repeated each Sunday, with the hope that you will be able to attend each class once in the month of February.**

## **Growing Young**

*Chapel - Claude Ross*

This class will focus on taking an in depth look at some of the content, data, and issues introduced in the book *Growing Young*.

## **Growing Together**

*Room 214 - Greg & Codi Jaynes / Derek & Heather Schoen*

During class we will take a look at the value of intergenerational community, mentorship, and young adult leadership.

## **Growing Perspective**

*Room 215 - Sam Young*

In our time together, we will discuss the value of sharing perspectives and stories. A portion of this class will include hearing perspectives from a panel of church members consisting of a family with children, a young couple with no kids, college students, and high school students.

## **Growing Up**

*Fellowship Hall - David Ingram*

Join us as we dive into the theology and importance of missions and outreach. A facilitated group discussion will help identify areas of passion for our church within the community of San Angelo.
